Opportunities for Local Businesses and Organisations

Show Day is Saturday October 5th

CONNECTING WITH YOUR LOCAL SHOW – BENEFITS & OPPORTUNITIES

The Yankalilla Show has existed since 1882. It is held every year on the Saturday of the long weekend. It has represented fun and worthwhile endeavour to generations within the south-western Fleurieu community and to visitors from the nearby city.

Approximately, 3000 visitors attend on the day. We have an active Facebook page with 2000 followers.

We can help get your name out more in the community as information, on signage or in the Show Book. Before Show Day and after Show Day, our stories appear locally and on social media acknowledging connections such as yours that help make the show a success.

The Show is a well-loved, long-standing local identity. By connecting with us you will be supporting worthwhile community activity. Country shows around the nation are an integral part of Australian culture. The Yankalilla Show helps bridge the rural-city divide, educates people about food sources, promotes agriculture and encourages the pursuit of excellence in all sorts of activities, from computer art to growing rhubarb. It's also a great day out for young and old.

Opportunities for you to connect with us and to promote your organisation include:
